

Vishal Kandoriya

Front-end Developer & UI Enthusiast

About Me

A journey into the world of creative coding and
modern user interface engineering.

Who is Vishal Kandoriya?

Main ek dedicated **Front-end Developer** hoon jo Ahmedabad, India se belong karta hai. Mera passion scalable aur user-friendly websites develop karna hai.

Mera expertise modern web technologies jaise HTML5, CSS3, aur JavaScript frameworks mein hai. Main complex design problems ko simple, elegant code solutions mein badalne mein mahir hoon.

- ✓ Specialized in Responsive Architecture
- ✓ Focused on Performance & Accessibility
- ✓ Passionate about Clean Code Standards

Technical Arsenal

The tools and languages I use to bring
digital visions to life.

Skill Proficiency

Regularly updating my tech stack to stay ahead in the evolving web landscape.

Solutions I Provide

Web Dev

End-to-end development of fast, modern, and high-performing websites.

Responsive

Crafting layouts that adapt perfectly to any device, from mobile to desktop.

Optimization

Speeding up web applications for better user experience and SEO ranking.

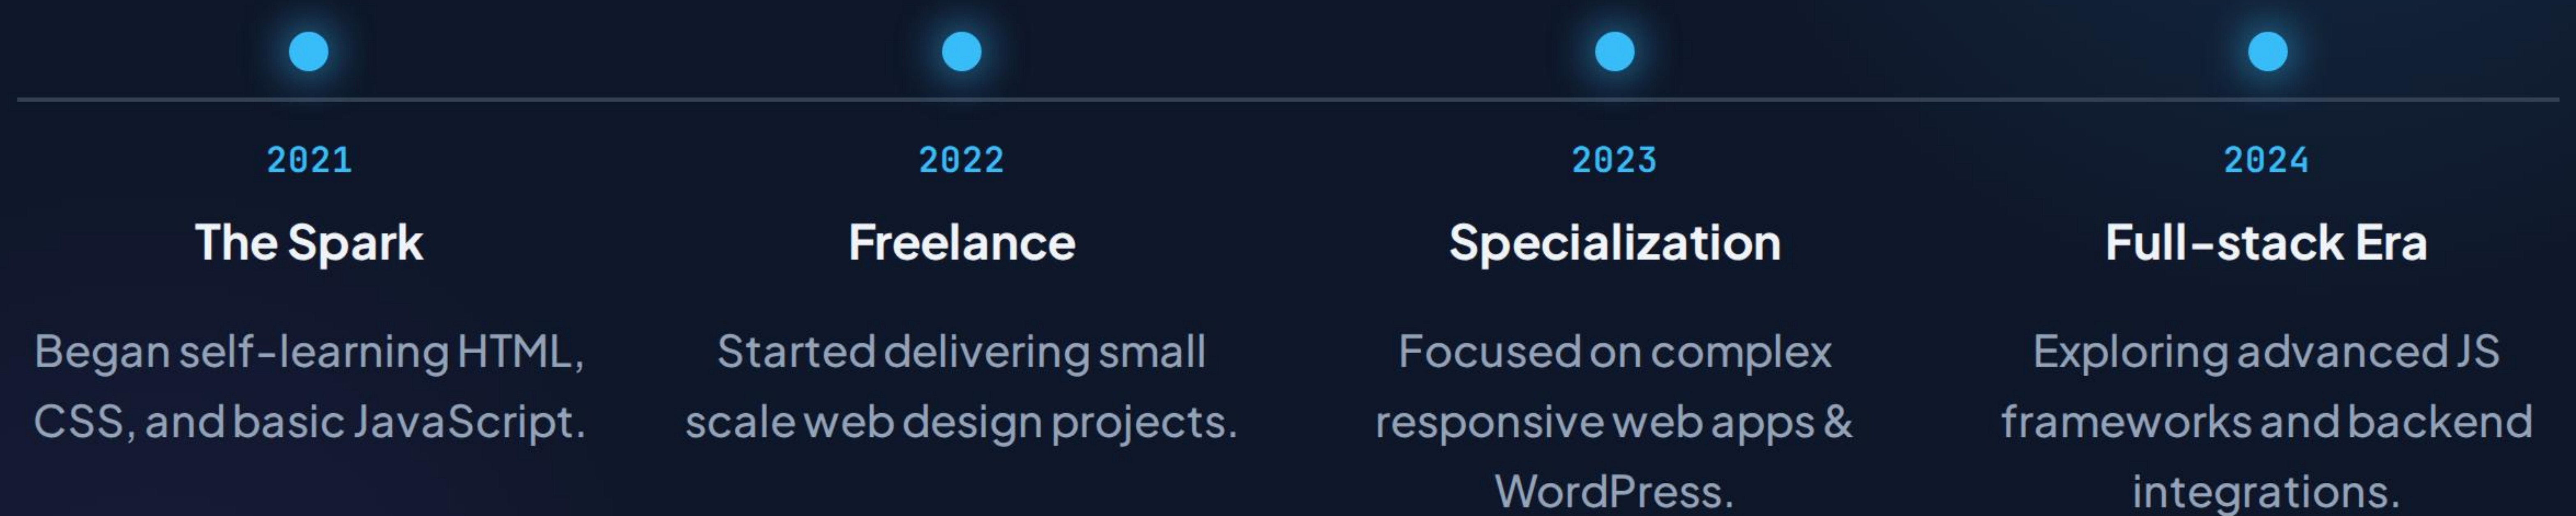

Academic Foundation

The educational background that shaped
my logical thinking and technical skills.
